

CareNet QA Staff Portal Module 3-Identify and Use Features of the View Button

Slide 2 - Slide 2

The screenshot shows the 'QA DASHBOARD' for 'QA1 staff'. At the top right, there is a notification bell with '55' and a user profile icon. A search bar is set to 'Document Id' with the value '101C50R66'. The dashboard features eight widgets, each with a 'View Details' button. The first widget, 'Worksheets Pending Provider Completion', is highlighted with a red box and contains the number '27'. A callout bubble points to the scrollbar on the right side of the dashboard with the text 'Use the scrollbar to move down the page.' Below the widgets is a table titled 'WORKSHEETS PENDING PROVIDER COMPLETION'. The table has columns for Name, Provider Speciality, Appointment status, DBQ Origin, VARO, VA POC Name, Cancellation Reason, and Action. The first two rows of the table are visible, and the 'View' button in the 'Action' column of the first row is highlighted with a red box.

Name	Provider Speciality	Appointment status	DBQ Origin	VARO	VA POC Name	Cancellation Reason	Action
E	Audiology, General Medicine, Psychiatry	Examination in-progress	VA requested	Atlanta, GA	JOHN, DALLAS		View
E	Audiology, General Medicine, Psychiatry	Examination in-progress	VA requested	Atlanta, GA	RESA, JOUNELLE		View

Slide notes

The **View** button allows you to view all pending examinations that the provider has not yet completed. It is only available with the default widget, **Worksheets Pending Provider Completion**.

Use the scrollbar to move down the page to view the complete list.
